Unique Father-Son Team To Be Broken Up

WORLD NEWS IN PICTURES

Dog Shot By Burglar Also Feeds Him T-Bone

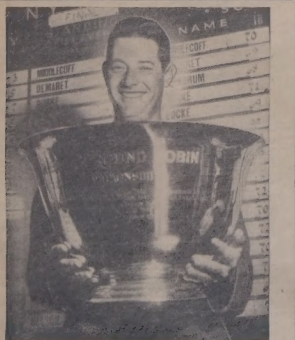

HAPPY REUNION—Associated Press correspondent William Chittys puts his arm around his wife as they face a battery of radio microphones following the freed newsmen's flight from Germany. Chittas was released May 1953 after spending two years in a Czech prison on a charge of being a U.S. spy.

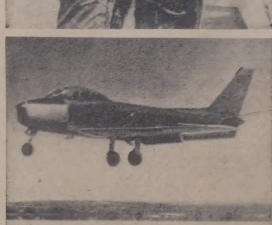

BLIND SPOT SPOTTERS—Acting on the premise that color blindness is affected by abnormal conditions of the optic nerve, two William Smith College students, Helen Gardner at left, and Teresa Mowry, wear the color blind of Hobart College professor Shilton MacLeod, in Geneva, N.Y. They discovered color blindness is accompanied by irregularly shaped blind spots.

THE PRICE OF FREEDOM—Two Chicago sisters leave La. Franciscan 1952 in Denmark and seeking sanctuary. The girls, Wanda Grey, at left, and her sister Joyce, are members of the Polish National Alliance.

\$5,000 HUG AND SMILE—That's what Gary Middlecott of Memphis, Tenn., added to his season's golf earnings by winning the Round Robin tournament at the Meadowbrook Golf Club Westbury, Long Island, N.Y. The 22-year-old dentist clinched the rich first prize with a four-under-par 66 in the final round, winning up with a 43-point total plus. Jimmy Demers, finished second with 59 plus points. Gary, who is bagging the championship trophy, is a member of the United States team that made the Canadian professional equal to the Hopkins Trophy International Matches at Beaumontville on June 5, 6 and 7.

BEARS TWO WORLD RECORDS—Sport Flier Jacqueline Cochran stands in front of the Canadian-built P-51B fighter jet in which she broke two world records at Edwards Air Force Base by flying around a 32-pylon course at an average speed of 602.237 miles per hour. She shattered the women's jet speed record of 585 m.p.h. held by Miss Jacqueline Aulin, of France, and the all-time jet record of 620 m.p.h. for 100-kilometer course, made by Col. Fred Astum, U.S. Air Force. In the photo above, Miss Cochran brings her jet in for a landing after being the first woman to fly through a smoke barrier.

IT'S PUT—Leaving the 16-pound dog-pet 30 feet and three fourths of an inch, Perry O'Brien of the University of Southern California, set a new record at the 27th annual West Coast trials held in Fresno, Calif. He broke the mark of 18 feet and one half inch set by Jim Fuchs of Yale.

BEACONETTE—The provocative way neckline of this daring dress by a Parisian designer is copied in the many form of the gold straw hat. The center of this slim black crepe dress gown keeps jewelry off the throat to emphasize the gown's line.

HEADS TOGETHER—A pair of well-balanced acrobats put their heads together and end up with a thrilling act. The "Two Ladies" are seen above in action in Paris, France.

REGAL BEAUTY—All eyes turn to Isabella's lovely Empress Bernice. She is seen above alighting from a plane at the airport in Rome, Italy.

TROPHY WINNER—His Excellency The Right Honourable Vincent Massey, C.M.G. Governor General of Canada, is seen here presenting the Calvert Trophy and a cheque for \$1,000 to Robert Howard, director of "Zane", a new French-Canadian play written by Marcel Dube and presented in the Dominion Drama Festival at Victoria, B.C. by La Jeune Scene, a Montreal drama group. "Zane" was judged the best production of this year's Festival and won four of the 11 prizes offered. The presentation was made at a luncheon in the Empress Hotel in Victoria.

FATHER LENDS A HAND—A unique father-son team will be broken up soon when Pat Rogers leaves for Korea. Since 18, and his 42-year-old father, Pat Rogers, both of Montreal, are both veterans and members of the Royal Canadian Mounted Police. The father, Pat Rogers, has been a soldier since 1933, and Rogers counts 13 months' service. Both are stationed at Vancouver Camp, near here. Just a year ago, the father was refused permission to go to Korea, on account of his age, now he is confident his son can take the place he hoped to fill in the ranks of the unit. When Rogers leaves with the 3rd Battalion for Korea, his father will have two regrets—that he won't be able to go himself and that they've never made a team together.

AERIAL SIDE CAR—Covered with a plastic hood, this wounded G.I. is being readied for a trip to a rear area ambulance in Korea. Strapped in into specially constructed side attachments of the helicopter and ride the air comfortably. The casualty victim is receiving blood plasma before making the trip.

FITTED PUP—Shot by a hunter, "Darius" a house cat owned by J. E. Dobson of Chicago, Ill., was helped by the cook who bandaged his wound and fed him a T-bone steak from The Clubhouse caterer. Here "Darius" gets more sympathy from pretty Rosemary Brown, an attendant at a Chicago animal hospital.

Garden Notes

For Amateur Gardeners

The young folks who used to spend most of Saturdays on their knees weeding the lawn have it again today. That backbreaking job has disappeared. All that is necessary now is to remove weeds with a chemical root killer. A couple of applications about a month apart, the much-asked-for weed killer has been removed. The application will keep a lawn practically weed-free.

Flowers and plants that are to be used soon in the garden should be kept in a cool place. They can be used soon in the garden. If they are to be used soon in the garden, they can be used soon in the garden. If they are to be used soon in the garden, they can be used soon in the garden.

TREAT 'EM ROUGH
Most beginners take to do some very necessary surgery. Take the seedling plants. These are the ones that are most likely to be killed by the frost. They are the ones that are most likely to be killed by the frost. They are the ones that are most likely to be killed by the frost.

FOR QUALITY
The many things in getting tenderness in vegetables to grow them quickly, especially the sorts of which the seeds or roots are eaten. The many things in getting tenderness in vegetables to grow them quickly, especially the sorts of which the seeds or roots are eaten.

HARVESTING TIPS
Four weeks the last harvesting of both forest and vegetable should be under way and where there has been a little planning, the work should be done right through until the end of the season.

Cover That Plate Completely
Many hitters stand at the plate in a position that makes it impossible for them to hit all pieces of the plate with their bat as they swing. The most common variation of this fault is standing too far away from the plate. The hitter should be in a position to hit all pieces of the plate with his bat as he swings. The hitter should be in a position to hit all pieces of the plate with his bat as he swings.

that the movement should occur when the East German Communist government was planning moves to repeal repressive measures. The initial ordinances included: the withdrawal of ration cards from sections of the population on the grounds that they were "non-productive" has been revoked. Farmers whose holdings were confiscated because they failed to deliver their appointed quotas of produce to the State will receive these holdings back. Their bank credits, previously blocked by governmental order, will now be returned to them. East Germans who have fled to the Federal Republic and West Berlin and who now return home, will not be liable to punishments.

These overtures and later promises failed to avert the riots. After years of repression, East Berliners received the blandishments with scepticism. Unfolding of events will determine the effect of the overtures upon the Communist government in East Germany; but obviously the regime has been shaken and cracks in the structure are now apparent.

Frank Isaac was a business visitor to Calgary on Monday.

Mrs. Lester Isaac journeyed to Calgary by bus on Monday.

Mr. and Mrs. Leslie Dandell of Calgary, spent the week end at Delta.

Cliff Morris and C. B. Hamilton motored to Calgary on Monday this week.

Fred Anderson, with son Roy, from Bowden, made a short visit to Delta last Wednesday.

Mr. and Mrs. Ed McLean left last Saturday for a motor holiday at western Alberta points.

R. L. Crowell, of Medicine Hat, spent a few days in the district over the week end.

Mrs. Gertrude Hande and Miss Yvonne Tillotson leave this Saturday on an extended bus tour of the United States.

After a brief respite, rain fell all day last Friday, clearing some on Saturday until evening, when a sharp shower brought a touch of soft hail to the north which reduced temperatures considerably.

Since then, one fine day seems to be followed by another wet one. In short, it has every feature of a wet, cold year.

J. Thomson Admitted To Bar Association

James McKenzie Thomson, Calgary, a former student of Drumheller High School, was admitted to the Alberta Bar Association recently in a ceremony performed before Justice W. J. Brown.

Thomson is the nephew of Mrs. A. Wilson, of this city. He will join the firm of Smith and Williamson to practice law.

My. Thomson is a native of Greenwich, Scotland, and received his early education in Scotland. He received the degree of honor Bachelor of Science from the University of Glasgow in 1947. He was awarded the degree of Bachelor of Law in 1952.

During the Second World War he served 4½ years with the R.C.A.F. in Canada overseas.

SAFER RAILROAD CROSSINGS

A SURVEY OF EACH OF THE RAILROAD CROSSINGS in Canada by a qualified group of Safety Engineers will be a major step reducing the heavy annual toll of highway accidents. The project, we feel, would make the highway crossings safer.

On some of the crossings the engineer and the motorist have less than ten feet of clear vision, while on others only lucky luck prevents accidents climbing up the rate of one per cent.

At one railroad crossing in this area the motorist can expect no greater than a few feet of vision as the track comes through a cut-off to cross the highway.

A train whistle, too, is only effective if the sound travels through the danger spot with the wind.

The more dangerous railroad crossings were erected in the horse-and-buggy days and to modern traffic are as useless as a "buggy whip."

DeBoers Took Big Herd Tour

Mr. and Mrs. A. DeBoer, of the Over-the-Hill district, were members of a large, contingent of breeders on a week-end tour of the leading Western breeders in the Southern part of the province.

The tour was started Friday with a dinner held under the auspices of the Herford breeders' club, inspected some of the most famous herds in Western Canada.

Although the tour was made during heavy rain, the clouds lifted and the rain ceased for the inspection and demonstration.

Mrs. DeBoer said the tour was very interesting and she enjoyed it very much.

When they began down in the mud members of the party pushed their cars and trucks and tractors.

There were 22 stock farms and ranches were visited during the tour which took them through Calgary, Midland, Millerville, Okotoks, Okotoks, Millerville, River, St. Mary, Nolin and Peckville districts.

Adam Buyer Enters Master Farm Contest

Adam Buyer, well known Calgary farmer, will represent his district in the Master Farm Competition which is being held at the weekend by District Agricultural Show.

Buyer, who will compete with other outstanding farm people in the regional contest stands to win \$1,000 prize and a bronze cup.

Winner of the region last year was Mr. G. H. Smith of Bonaville, whose farm land is situated near the town of Bonaville.

To enter the contest, which is held annually, farmers are nominated by their neighbors. Some of the places, completed early in July, is done by the district agricultural show.

Final judging of the regional contest will be held at the district judges from Edmonton during a visit to the nominated farm place.
